

NIT JAMSHEDPUR

DRIFT RACING TEAM

Drift Racing Team is the official Formula ISIE Team of NIT Jamshedpur. It is a Student-led initiative in the institute to design, manufacture and race a Formula style F3 Electric car in various Formula ISIE events across the globe. It was founded in 2009 by Automobile enthusiasts, earlier one of the first SAE teams of the institute

SPONSORSHIP PROPOSAL

A VISUAL TOUR

ELECTRICAL

We have accumulator with maximum power allowed by the formula student rulebook. we use BMS(battery management system) some important sensors to produce signal output to the circuit and GLVS system.

2 6

MECHANICAL

We are experienced in using Space Frame Chassis , Double Wishbone Suspension, Rack and Pinion System in steering of our F3 cars for better control and comfort and we use 2WD powertrain for maximum power transfer to the wheels so that we can get maximum velocity in minimum time.

OUR DEPARTMENTS

- **Electrical**
- **Mechanical**
- **Chassis department**
- **Braking and powertrain**
- **Suspension**
- **Steering**

FORMULA BHARAT

ACHIEVEMENTS

1. ISIE 2025

PARTICIPATED IN ISIE 2025

2. FSS INDIA 2022

1st rank in EV Category & Vehicle Design. Overall 7th position

3. FORMULA IMPERIAL 2021

1st position in design.
Overall 4th position

4. FORMULA SAE 2018

Overall 2nd in all IITs and NITs

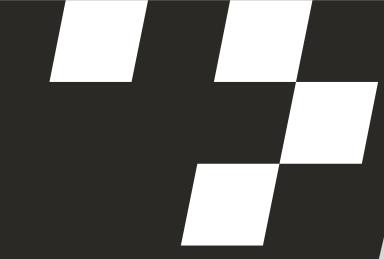

5. FORMULA SAE INDIA 2015

6th in presentation and lightest car

PARTICIPATED IN ISIE 2025:

- Our team has registered for Formula ISIE 2025, scheduled to be held in Chennai/Coimbatore in October, 2025.
- We have successfully qualified for the first round.
- We have successfully completed the Static Round of ISIE 2025 by submitting our Design and Cost Reports.

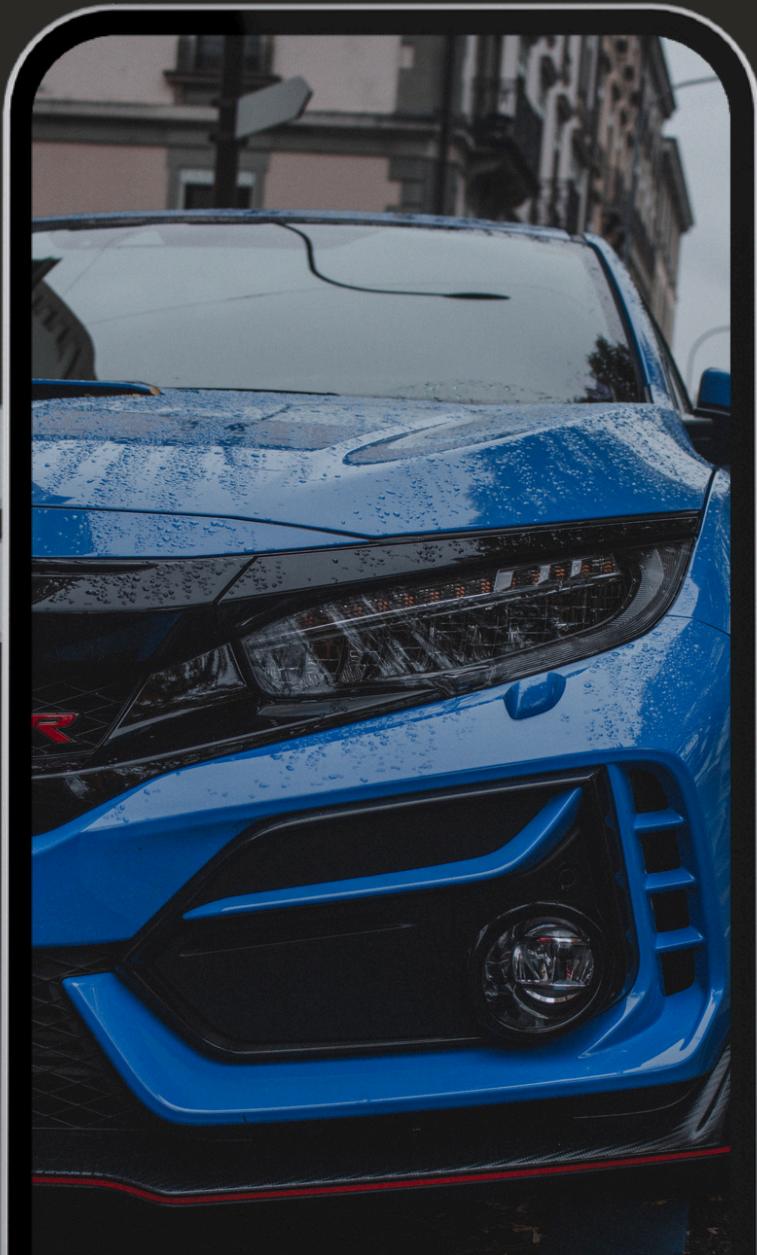

LATEST PORTFOLIO

WHY SPONSOR US ?

As proud alumni of this institution, your support can play a pivotal role in shaping the next generation of innovators and engineers. By sponsoring our student racing team, you're not just funding a car – you're fueling passion, learning, and ambition.

- ★ Inspire the next generation by continuing the legacy you were once part of.
- ★ Help students gain hands-on technical and team-building experience.
- ★ Your contribution strengthens the bridge between past and present. It inspires current students to aim higher, knowing that alumni believe in their potential.
